

## NCB's March 2010 Distribution

### NCB's ANNUAL DISTRIBUTIONS

NCB distributes royalties to our members four times a year in the following months:

- March (mainly online royalties)
- June
- September (mainly online royalties)
- December

### ONLINE MUSIC

iTunes' sales in the 3<sup>rd</sup> quarter of 2009 in Finland, Norway and Sweden are included in this distribution – we expect royalties for the 4<sup>th</sup> quarter of 2009 to be included in our June 2010 Distribution.

NCB is still among the only societies in Europe to meet iTunes' standards for detailed invoice specifications. We are striving all the time to optimise our systems to make sure that we invoice only for repertoire that we control. This will also ensure that we are among the first ones to receive payment from iTunes and other online service providers.

As far as TDC Play (Denmark) is concerned we have recorded a 63% increase in number of downloads in the 4<sup>th</sup> quarter of 2009 as against 4<sup>th</sup> quarter the year before.
