

RECIPROCAL COLLECTION AGREEMENTS

NCB collaborates with many other societies abroad, however, NCB does not have agreements with collection societies in the entire world, but we do have collection agreements with societies in Europe, North and South America and some countries in Asia.

Below you can see the copyright societies with whom NCB has entered into bilateral or unilateral collection agreements.

The society names are in alphabetical order.

LAST UPDATE: 2020-07-01
