

- **additional lists supplied to publishers**

## Summary for distribution

This summary gives an overview of the following:

- "Contract type"
- "IP/Agreement type"
- "Distributions per currency"  
All amounts are in your local currency. The applied exchange rates are not indicated on the statement anymore - please refer to the updated list on NCB's website:  
[www.ncb.dk](http://www.ncb.dk) - [Do you write music?]/[Distributions]/[- exchange rates]

If a publisher acts as an agent on behalf of an author each agreement will have its own "Summary for distribution" page.

## Distribution Journal

This list shows a total per author (if the publisher acts as an agent)  
- and subsequently a total per original agreement, including subpublishing and single subpublishing agreements.

## Distributed/Agreement Groups

Against each agreement group that appeared on the "Distribution Journal" a total per contract type as well as a total per invoiced currency is shown.

The list is ordered alphabetically by agreement group names.

## Distributed/Agreements

The list shows the total amount distributed per contract type as well as the total amount distributed per invoiced currency.

The list is ordered alphabetically by agreement group names and subsequently by agreement names.

## Distributed/Company

The list is ordered by contract type, company invoiced and country where the company resides. In order to minimize the number of pages only net amounts exceeding EUR 60 (converted to local currency) is included in the list.

The list does not include collections from outside NCB's territory nor does it include royalties collected from "audio work-by-work" producers.

### **Distributed/Country of Sale**

This list shows total amounts distributed by country of sale.

In order to minimize the number of pages only net amounts exceeding EUR 60 (converted to local currency) is included in the list.

The order is alphabetically by country name.

### **Distributed/Sales Period**

Under each 'contract type' heading the total amount distributed by sales period is indicated.

In order to minimize the number of pages only net amounts exceeding EUR 60 (converted to local currency) is included in the list.

The list is ordered by contract type and subsequently by sales period (in descending order).

### **Distributed/Top 20**

Under each 'contract type' heading the top 20 musical works (measured by amount of royalties generated) are listed.

The list is ordered by contract type and subsequently by title (in descending order in terms of amounts generated).
