

## Commission rates applied from 1 January 2016

At the time of distribution, NCB will deduct commission according to the following scheme:

- 12% will be deducted when NCB distributes royalties which have been collected by foreign mechanical rights societies
- 18% will be deducted when NCB distributes royalties where NCB has also been responsible for the collection
- 25% will be deducted when NCB distributes royalties which have not been matched to a specific work.

Distribution of royalties collected from Nordic based digital service providers:

- 10% will be deducted when NCB distributes royalties which have been match to a specific work
- 25% will be deducted when NCB distributes royalties which have not been matched to a specific work.
