TARIFFS AND CONDITIONS

1)	NCB's minimum rate (with the right of re- turns):	tick ×
2)	NCB's minimum rate (without the right of returns):	tick ×
3)	NCB's volume based tariff (without the right of returns):	tick ×

- Please tick × if the agreement between your company and your customer allows the right of returns and you request for returns with this application. In this case you pay for the total number of copies manufactured, and no later than 4 months from the date of release you have to inform NCB of the number of returns, if any, and forward satisfactory proof of the destructions. NCB will then refund royalties amounting to a maximum of 30% of the numbers manufactured. **NCB's tariff**: Normal minimum rate covering the format in question for the total number of copies manufactured. As to music products NCB's budget minimum rates may be accepted if the contents qualify for budget repertoire.
- 2) Please tick × if the agreement between your company and your customer **does not** allow the right of returns. NCB's tariff: Normal minimum rate covering the format in question for the total number of copies manufactured. As to music products NCB's budget minimum rates may be accepted if the contents qualify for budget repertoire.
- 3) Please tick × in the box to the right if the agreement between your company and your customer **does not** allow the right of returns. NCB's volume based tariff is based on the normal minimum rate covering the format in question. You pay for the total number of copies manufactured according to a degressive scale depending on the size of the number of copies. Please ask NCB for a tariff. Budget minimum rates are not applied!

SIGNATURE OF THE PRODUCER
